We are needing rain in this section of the county.

Farmers are very busy planting their crops.

Mr. Fowler had the misfortune to lose their driving horse Sunday from being kicked by another horse.

John Kile is kept busy these days carrying the mail on both routes out of Elmwood.

There was quite a crowd of young folks out to Sunday School at Mt. Vernon last Sunday.

THE BIG FACTOR IN SELLING LUMBER

And holding customers, as we see it, is "interest." Of course we are guided by the same grading rules that govern others in our line, but we've gone further than that by instilling into every man in our organization this watchword: "Will it please the customer?" That to our notion is the real key-stone of our success. It is our best guarantee of your SATISFACTION.
